STATE AUDITOR-ELECT SUZANNE BUMP ANNOUNCES KEVIN P. MARTIN, JR. TO JOIN TRANSITION TEAM

Kevin P. Martin & Associates, P.C. (“KPM”) is pleased to announce that KPM Managing Director, Kevin P. Martin, Jr., has joined the transition team of Suzanne Bump, Massachusetts State Auditor-Elect.

Bump announced today the formation of the transition team to assist in evaluating the existing priorities, structure and staffing in the Office of the State Auditor and to recommend changes that will enhance the performance of the Office, and enable it to be a catalyst to help make state government work better.

“The Office of the State Auditor, which has known one leadership team for twenty-four years, will be retooled in order to meet the challenges that face the Commonwealth today and in the years to come,” said Bump. “I am grateful that such a diverse group of professionals with a wide variety of expertise has agreed to assist in this important transition.”

The team of academic leaders, government auditing professionals, business leaders, human resource professionals, elected officials and members of diverse communities across Massachusetts represents Bump’s fresh approach to the Auditor’s Office.

“I am extremely pleased that Kevin P. Martin, Jr. has agreed to serve on my transition team. A first-rate audit operation is the foundation of the Office of the State Auditor. The participation of professionals in the field of auditing and accounting like Kevin will enable us to evaluate and strengthen the audit operations of the office.”

“I look forward to working with Massachusetts State Auditor-Elect, Suzanne Bump,” says KPM Managing Director, Kevin P. Martin, Jr. “The Office of the State Auditor (“OSA”) serves the citizens of the Commonwealth by promoting accountability, fiscal integrity and transparency. We work with hundreds and hundreds of organizations subject to the oversight responsibilities of the OSA and it’s important that KPM is at the table representing the public good, the constituency organizations and the accounting profession as the OSA evaluates new priorities and areas of interest.”
