1960

In 1968, Kevin P. Martin Sr. and partner begin a small CPA and bookkeeping firm next to a bowling alley in Weymouth, MA. Affordable housing practice begins.

1970

KPM expands its not-for-profit practice to include over a dozen agencies. The Firm adds several nursing home clients and moves into the third-party billing arena.

1980

The third-party billing market brings the Firm into medical practices, home health care and ambulance companies. Not-for-profit and affordable housing practices begin to flourish. Kevin P. Martin Jr. joins the Firm later in the decade.

1990

KPM begins serving a multitude of service companies, distributors, retailers, manufacturers and other commercial businesses. Technology and life sciences practices begin to grow along with the economy.

2000

Opens office in Danvers, MA. Recognized as one of the largest CPA firms in Boston and inducted into the Boston Business Hall of Fame. Continues to expand IT consulting and risk and compliance practices.

2010

Acquires IT firm Viper Consulting. Expands film credit practice with work for major and independent studios.
MARKET EXPERTISE

While our service offerings are available to clients of all shapes and sizes, we have chosen to focus on sectors where we can leverage our collective skills and experience to make the most impact for

TAX CREDIT SERVICES
The tangible nature of tax credits can make a significant difference in the way our clients are able to do business. Every year we help our clients identify, qualify and monetize tax credits in the low-income housing, new market, historical properties, television and film, energy and life sciences sectors.

NOT-FOR-PROFIT
Whether advising on raising funds in turbulent times, helping clients better allocate dollars or performing an OMB Circular A-133 or Yellow Book audit, KPM is a trusted partner of hundreds of not-for-profit clients from all corners of the United States.

AFFORDABLE HOUSING & REAL ESTATE
Nationally recognized by syndicators, developers, CDC’s, management companies, lenders and legislators alike, we have nearly four decades of experience working with public and private providers of low-income housing tax credit properties and projects funded under various HUD

TECHNOLOGY & LIFE SCIENCES
KPM strives to accelerate the success of our technology and life sciences clients by helping them to respond to the dynamic marketplace, and by identifying and reducing risk and vulnerability in every phase of business.

TELEVISION & FILM PRODUCTION
The environment to create compelling video and film has never been friendlier. State film bureaus and departments of revenue have teamed up to offer attractive tax credits for companies willing to produce film and video within their borders. KPM is leading the way in helping our clients realize these benefits.

PRIVATE ENTERPRISE
Manufacturing firms, medical practices, distributors, retailers and advertising agencies are all in business to make money. At KPM, we take the experience we gain from any client, regardless of industry or size and put
